Working with Primary Schools

Warwickshire

Young Carers' Project

Welcome to the sixth half-termly Young Carers Schools Newsletters. Warwickshire Young Carers' Project works with schools to raise awareness about Young Carers and ensure they are being identified and supported. Our main objectives are to improve the experience, attendance and attainment of Young Carers. Schools can do our award and are supported in completing it. We can deliver assemblies/staff training and provide resources. Please get in touch to find out more!

Transition support for Young Carers moving up to secondary school

Please check out the Young Carers Transitions Information Sheet.

It was emailed out to all primary and secondary schools in Warwickshire last year and will be emailed out again after half term.

So please keep an eye out for it!

Also if you would like any support for your school or Young Carers going through the transition to secondary school then please get in touch. If you do not receive the info sheet and would like a copy please contact us.

Vulnerable groups list in schools

All schools have information to track and monitor different groups, what we are asking is whether Young Carers could be added to those. They, along with certain other groups of children, need some extra attention at times.

Young Carers can be added to SIMS so that staff are aware of who the Young Carers are and when they move to secondary school this information will go with them.

Young Carers Schools Award

The nine schools that have achieved the Warwickshire Young Carers Schools Award Gold Standard are Dordon Primary School, Henry Hinde Junior School, Hillmorton Primary School, St Francis Catholic Primary School, Michael Drayton Junior School, Camp Hill Primary School, Stockingford Primary School, Milverton Primary School and Bilton Juniors School.

We are currently working with 75 infant, junior and primary schools. Of these, 42 are undertaking the award and so far 30 have achieved standards.
